25X1

On 22 July [ ] called about the revision of [ ] which deals with assessments. Her call was a follow-up of an inquiry made to [ ] (DD/P Regulations Control Officer) about two weeks ago. [ ] said the revision has been snagged for 25X1 months on the issue of releasing assessment information. Her version is that she, [ ] and others (not specified) believe requests for assessment information should follow the command line and be rather tightly controlled because of the sensitivity of the information. [ ], on the other hand (according to [ ], wants supervisors in DD/P to feel free to talk with him at any time "about their problems." She said she will make a concerted effort to get the regulation published when she returns from leave in about ten days. She was counseled, however, not to stampede publication since the basis for our inquiry was not a desire to expedite things, but simply to learn their status. There may be other aspects to the regulation which require rather deliberate consideration, particularly the views expressed in the IG report.

[ ] announced that the [ ] have adopted a 22-month-old daughter.

2. Space for DD/S Computer

Space for the DD/S computer has been buttoned up without affecting any of Training's space allocations. The computer will be in [ ] adjacent to the present IBM installation. The Management Staff expects the computer to be in operation by 1 March 1960.

3. Planning for Next IOT Course

Mr. [REDACTED], the latter's office will prepare master and individual schedules and syllabuses of all the courses for the schools concerned. Mr. [REDACTED] also has initiated some changes in the CS Orientation Course which would make this portion of the training more interesting and which will get away from the "organization chart" type of presentation.

#### 4. ELINT Course

25X1

Mr. [REDACTED] <sup>25X1</sup> reports fair progress on the ELINT Course for case officers and expects to hold a preview or dry run during the week of 3 August, beginning with approximately one day's dry run at [REDACTED]. Mr. [REDACTED] suggests that we plan to present the first running of this course beginning on or about 5 October 1959. No decision has yet been made on whether or not to go ahead with the original proposal for a field trip to Cape Canaveral, Florida, to receive orientation in the telemetry phase of ELINT.
